## Priority Action Items: Targets for FY2025

Working item	Specific Activities	Subjects and Parties Involved	Apr. May Jun. Jul. Aug. Sep. Oct. Nov. Dec. Jan. Feb.
an: "Be Safe!" "3 No's (Don't do it, Don't let them do it, Don't miss it) "			
"Yamato Safety Day" Safety awareness activity			
(Sentinels will be suspended until May 2026, during the period of the reconstruction of the main office and	Morning safety greeting (in front of the main gate)	l	
the welfare building)	Cleaning of company surroundings and employee parking lots	YAMATO group/Labor Union/Contractor	0 0 0 0 0 0 0
Clean & improve manners / etiquette (Cancelled during the summer to prevent heat stroke)  Awareness of the "3 No's movement"	Health and safety committee, etc.		0 0 0 0 0 0 0
etyl Safety meeting	realth and safety committee, etc.		
Health and safety committee	Second Wednesday of every month	la :1./0	
Emergency health and safety committee	In case of emergency	Company-wide/Contractor Company-wide/Contractor	0 0 0 0 0 0 0 0 0 0 0
Workplace safety promotion committee (*includes on-site patrols)	Odd-numbered months	Workplace safety promotion officer	
Health and safety committee at each workplace	Once a month	Each department	
Joint safety meeting of manufacturing departments and contractor	Once a month	Manufacturing department/Contractor	0 0 0 0 0 0 0 0 0
Contractor health and safety committee	Second Thursday of every month	Contractor	
Various risk reduction activities		1	
YSQ Activities	Safety target setting	YAMATO STEEL CO.,LTD.	
	Identification of hazards, facility improvements, prevention of unsafe		1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 -
Appointment of a dedicated health and safety officer and Exclusive Safety Activities	behaviors, etc.	Operational departments	
Promotion of health and safety activity reporting (equipment improvement, risk assessment, etc.)	Report to health and safety committee	Rotational system between disaster occurrence department	
Thorough elimination of factors that cause industrial accidents	Evaluation of effectiveness of recurrence prevention measures	Occupational injury occurrence sector/Safety sec.*	each time
Residual risk identification and risk management and mitigation measures	Subject to residual risk (risk rating II or higher)	YAMATO group/Contractor	
Workplace safety training	Workplace health and safety committee, etc.	Promoted under the auspices of each department	
TBM (Tool Box Meeting)	Implemented daily at each workplace		Day Every day
Patrol Relations			
Regular patrols	Once a month (report to health and safety committee)	Supervisor/Mid-level employees/Safety sec.*	0 0 0 0 0 0 0 0 0 0
Risk assessment effectiveness verification checks	Once a month (report to health and safety committee)	Mid-level employees/Entry-level employees/Safety sec.*	
Patrol during disasters	As needed	Mid-level employees/Entry-level employees/Safety sec.*	
Education			
Hazard simulation education (VR)	Implemented after setting targets for participation in each department	Instructor [Safety sec.*]	
E-learning system introduced (operation started)	Update as needed [Safety sec.*]	YAMATO STEEL CO.,LTD./Contractor	
Safety training at the time of hire	Instructors (Safety sec.*)	New and mid-career employees	each time
Spot safety training (even-numbered months)		Contractor new visitors	
Safety training for newly qualified persons	Instructors [External instructors]	Newly qualified persons	
Various special training (low voltage handling, power tools, etc.)	Instructors [External instructors]	Target workers	each time
Heat stroke prevention education	Instructors [Safety sec.*/external instructors]	YAMATO group/Contractor	
Sharing of "disaster information (in-house and from other companies)" etc.	Update as needed [Safety sec.*]	YAMATO group/Contractor	each time
Dispatch to qualification/health and safety training, etc.	Dispatch to external organizations Instructors [Each department]	Target workers	each time each time
Safety training at time of hire	Instructors [Each department]	Promoted under the auspices of each department  Fach department/Construction companies/Safety sec.*	each time
Signing of the "Safety Agreement for Contracted Work".	Intra-mart	Each department/Construction companies/Safety sec.*	each time
Alth] Health Promotion Activities	Once a year / spring	Eligible employees	
Annual health checkups (comprehensive health checkups for all employees aged 40 and over)	Once a year / spring	Eligible employees	
Harakharaharan fara ara-16-14	Open a year / fall	C:Edd	
Health checkups for specified workers	Once a year / fall	Specified workers	00
Special health checkups (organic solvents/special chemicals), administrative guidance health checkups (noise)	Twice a year / spring and fall	Target workers	0 0 0
Special health checkups (organic solvents/special chemicals), administrative guidance health checkups (noise)  Administrative guidance health checkups (eye disease/information equipment/vibration), etc.	Twice a year / spring and fall Once a year / fall	Target workers Target workers	00
Special health checkups (organic solvents/special chemicals), administrative guidance health checkups (noise) Administrative guidance health checkups (eye diseases/information equipment/vibration), etc. Mask fit tex (each department takes a practitioner training course)	Twice a year / spring and fall Once a year / fall Once a year	Target workers Target workers Metal arc welding worker	0 0 0
Special health checkups (organic solvents/special chemicals), administrative guidance health checkups (noise) Administrative guidance health checkups (eye disease/information equipment/vibration), etc. Mask fit test (each department takes a practitioner training course) Workplace inspection by the industrial physician	Twice a year / spring and fall Once a year / fall	Target workers Target workers Metal arc welding worker Industrial physician/Safety sec.*	
Special health checkups (organic solvents/special chemicals), administrative guidance health checkups (noise) Administrative guidance health checkups (eye diseases/information equipment/vibration), etc. Mask fit tex (each department takes a practitioner training course)	Twice a year / spring and fall Once a year / fall Once a year Once a month	Target workers Target workers Metal arc welding worker Industrial physician/Safety sec. * Health superitendent	0 0 0
Special health checkups (organic solvents/special chemicals), administrative guidance health checkups (noise)  Administrative guidance health checkups (eye disease/information equipment/vibration), etc.  Mask fit test (each department takes a practitioner training course)  Workplace inspection by the industrial physician  Patrol by health superitendment	Twice a year / spring and fall Once a year / fall Once a year Once a month Once a week	Target workers Target workers Metal arc welding worker Industrial physician/Safety sec.*	O   O   O   O   O   O   O   O   O   O
